RE: No. 13-6827, Holt v. Hobbs

Dear Mr. Harris:

We wish to lodge the two attached exhibits with your office pursuant to Rule 32.1.

As explained in our principal brief at page 3 note 2, these exhibits were introduced by respondents and admitted in evidence at a hearing before the magistrate. J.A. 119-120, 128-129. They were returned to counsel for respondents after the hearing. Docket Entry 79. So far as anyone has been able to determine, they were not restored to the record on appeal.

Counsel for respondent has supplied copies of both exhibits to me, and they are attached. She did not send me the originals, but there is no dispute about the authenticity of these copies.

Very truly yours,

Douglas Laycock

If personal hygiene falls below these standards, the Chief of Security may order that the necessary steps be taken to force compliance. For mental health services and medical housing, this authority is vested in the staff person supervising the treatment area.
